ABOUT TIGER PETRO

Tiger Petro Ltd. LLC is a global petroleum trading company headquartered in Torrance, California. We specialize in the trading, import, and export of petroleum products including Diesel D2, D6, Jet Fuel (JP54/JA1), Crude Oil (REBCO), LNG, LPG, and other energy commodities.

Founded with a commitment to integrity, reliability, and excellence, Tiger Petro has built strong relationships with refineries, suppliers, and buyers across the globe. Our operations span multiple continents, with active presence in North America, South America, Europe, Asia, and Africa.

Tiger Petro operates as a bridge between energy producers and consumers worldwide — providing creative distribution solutions and delivering premium products for international institutions, governments, and commercial entities.

We are committed to maintaining the highest ethical standards in all our business relationships, and to being a positive force in the global energy sector — connecting producers and consumers while creating lasting value for all stakeholders.

10+ Years Trading

6 Continents

50+ Countries Served

OUR MISSION & CORE VALUES

Our mission is to be the most trusted and reliable partner in global energy trading — delivering quality, building relationships, and creating sustainable value.

Quality & Reliability

Delivering high-quality petroleum products at competitive prices to clients worldwide, consistently and on time.

Partnership

Building long-term partnerships based on trust, mutual respect, and shared success.

Integrity & Transparency

Operating with the highest ethical standards in every market we serve, with full transparency in all transactions.

Global Responsibility

Contributing to global energy security and sustainable economic development across the markets we serve.

Innovation

Providing creative solutions that meet the evolving energy needs of our global clients across all sectors.

Tiger Petro maintains active trading relationships across 6 continents, with established supply chains connecting major energy-producing and consuming nations.

EXPANSION INTO CHINA

LNG & LPG Division · Joint Venture with Starr Petroleum LLC

Tiger Petro Ltd. LLC, in joint venture with Starr Petroleum LLC, is actively expanding its global energy footprint into the Chinese market through the development and supply of Liquefied Natural Gas (LNG) and Liquefied Petroleum Gas (LPG). This strategic expansion marks a key milestone in the company's long-term objective to establish a strong presence in Asia's rapidly growing energy sector.

Market Focus & Capabilities

- Long-term supply agreements (SPA contracts) for LNG and LPG
- Targeting industrial consumers, power generation, and municipal gas distribution
- Leveraging established relationships with global LNG producers and shipping companies
- Compliance with Chinese import regulations and CNOOC/CGAS distribution frameworks

Key Personnel

Ms. Jean Li — Business Associate & Strategic Advisor, China

Mr. Bill Huang — Vice President, China Operations

Petroleum Products

Diesel D2 & D6 · Jet Fuel JP54/JA1 · Crude Oil (REBCO) · Mazut M100 · Aviation Fuel

LNG & LPG

Liquefied Natural Gas · Liquefied Petroleum Gas · Pipeline Gas · Industrial Gas Supply

Maritime Fuel

Bunker Fuel IFO 380/180 · Marine Diesel Oil · Low Sulfur Fuel Oil (LSFO)

Financial Services

Trade Finance · Letters of Credit · Documentary Collections · Performance Bonds

Diesel D2 & D6

High-quality diesel fuel for industrial, marine, and transportation applications worldwide.

Jet Fuel JP54 / JA1

Aviation-grade fuel meeting international specifications for commercial and military aircraft.

Crude Oil (REBCO)

Russian Export Blend Crude Oil — one of the most widely traded crude oil benchmarks globally.

Mazut M100

Heavy residual fuel oil used in power generation and industrial heating applications.

Aviation Fuel

Specialized aviation fuels for commercial airlines, private aviation, and government/military clients.

Bunker Fuel IFO 380/180

Standard marine fuel for ocean-going vessels — supplied at major ports worldwide.

Marine Diesel Oil (MDO)

Cleaner-burning marine fuel for vessels operating in emission control areas.

Low Sulfur Fuel Oil (LSFO)

IMO 2020 compliant fuel meeting the 0.5% sulfur cap for global shipping.

Liquefied Natural Gas (LNG)

Clean-burning natural gas in liquefied form for power generation and industrial use.

Liquefied Petroleum Gas (LPG)

Propane and butane blends for industrial, commercial, and residential applications.

RESOURCES — ROTTERDAM PIPELINE NETWORK

Tiger Petro has access to one of Europe's most critical petroleum distribution networks — the Rotterdam pipeline system, which serves as a key hub for the distribution of petroleum products across Western Europe.

CEPS	Central European Pipeline System	RAPL	Rotterdam Antwerp Pipeline
RC2	50% PoR & 50% ARG	ARG	Aethylen Rohrleitungs Gesellschaft
RMR	Rhein Main Rohrleitung	DOW	Propylene Pipeline
TOTAL	Pipeline Network	SABL	Naphtha Pipeline

This infrastructure enables Tiger Petro to provide reliable, scalable delivery solutions to clients across Europe and beyond.

William Tropp

CEO & President

Mr. Tropp serves as Tiger Petro President, and has over thirty years of experience in global finance, project development and engineering.

Prior to founding Tiger Petro, Mr. Tropp served as President and Managing Director of Tiger Financial, Inc., with offices in the United States and London. Tiger Financial was involved in building and financing power plants and refineries in South and Central America, as well as hotels and gaming casinos for international corporations and the Mojave Indian Tribe. From 2001 through 2007, Mr. Tropp arranged syndicated financing exceeding \$5 billion internationally for energy and related commercial projects.

Mr. Tropp is a retired Colonel of the United States Air Force and a combat pilot who served in Vietnam from 1967 to 1970.

BS Mechanical Engineering — McGill University · MS Engineering Management — MIT

Randy Wong

Executive Vice President / Managing Director, Vancouver, Canada

Experienced and results-driven commodity trader with over 20 years of expertise in trading agricultural products, energy, precious metals, and petroleum products. Proven track record in identifying market trends, executing high-value trades, and managing risk in highly volatile, fast-paced environments.

Strong background in building and maintaining relationships with suppliers, brokers, and international buyers. Recognized for developing innovative trading strategies and mentoring junior traders.

Core Competencies: Commodity Trading · Trade Execution & Portfolio Management · Contract Negotiation & Pricing · Financial Reporting & Forecasting · Client Relationship Management · Team Leadership

Education: British Columbia Institute of Technology

Angel Cantú-Villarreal

Vice President — Director of International Operations & Distribution Logistics

Angel Cantú-Villarreal has worked in the petroleum industry in the U.S. and Mexico for over 40 years. After completing his engineering degree at California State University, Fullerton (1980), he engaged in various projects with the Mexican state-owned oil company, Petróleos Mexicanos (PEMEX), serving as Procurement Director for CIGSA Construcción S.A. de C.V.

His projects included maintenance of PEMEX's fleet of gas and oil tankers, maintenance and construction of offshore production rigs, and turnkey projects for process plants in the refining division. After 1998, Mr. Villarreal participated in EPC projects with PEMEX Exploration, focusing on offshore pipeline inspection and maintenance.

Tiger Petro is proud to have Mr. Villarreal as Director of International Operations in Distribution Logistics and as Foreign Affairs Representative, holding legal mandate authority for North American, European, and Caribbean markets.

Ms. Jean Li

Business Associate & Strategic Advisor, China

Ms. Jean Li brings extensive experience in international business development and strategic advisory services, with a particular focus on facilitating trade and investment between China and global markets.

With deep expertise in Chinese business culture, regulatory frameworks, and market dynamics, Ms. Li plays a pivotal role in Tiger Petro's expansion into the Chinese energy market. She serves as a key liaison between Tiger Petro and Chinese energy companies, government entities, and financial institutions.

Ms. Li's network spans major Chinese cities including Beijing, Shanghai, and Shenzhen, providing Tiger Petro with unparalleled access to China's rapidly growing LNG and LPG markets.

Mr. Alvin Huang

Vice President — China Operations

Mr. Alvin Huang serves as Vice President of China Operations for Tiger Petro, overseeing the company's strategic expansion into the Chinese energy market. With extensive experience in the Chinese petroleum and energy sector, Mr. Huang brings invaluable expertise in navigating China's complex regulatory environment and business landscape.

Mr. Huang has established strong relationships with key stakeholders in China's energy industry, including CNOOC, CGAS, and major provincial energy distributors. His deep understanding of Chinese business practices and government relations has been instrumental in advancing Tiger Petro's joint venture with Starr Petroleum LLC.

Mr. Huang is fluent in Mandarin and English, and holds advanced degrees in Energy Management and International Business.

Marvin Epstein

Director of Global Business Development

Marvin Epstein is a seasoned business development executive with decades of experience in international trade, energy markets, and strategic partnerships. As Director of Global Business Development, Mr. Epstein leads Tiger Petro's efforts to identify and develop new market opportunities across multiple continents.

Mr. Epstein has a proven track record of building and maintaining high-value relationships with energy producers, distributors, and institutional buyers worldwide. His expertise spans deal structuring, contract negotiation, and the development of long-term supply agreements.

Prior to joining Tiger Petro, Mr. Epstein held senior positions in international commodity trading firms, where he developed expertise in petroleum products, natural gas, and related financial instruments.

Angela Brown

Executive Director — Global Acquisitions

Angela Brown serves as Executive Director of Global Acquisitions at Tiger Petro, where she leads the company's strategic acquisition initiatives and manages relationships with key suppliers and counterparties across global energy markets.

With extensive experience in commodity trading and energy sector acquisitions, Ms. Brown brings a sophisticated understanding of global supply chains and market dynamics. She has successfully negotiated and closed numerous high-value transactions across multiple jurisdictions.

Ms. Brown's expertise includes petroleum product procurement, supplier relationship management, and the development of strategic sourcing frameworks that ensure Tiger Petro maintains access to premium quality products at competitive prices.

Jordan Clark

Director & Senior Compliance Officer

Jordan Clark serves as Director and Senior Compliance Officer at Tiger Petro, responsible for ensuring the company's operations adhere to all applicable regulatory requirements, industry standards, and internal policies across all jurisdictions where Tiger Petro operates.

Mr. Clark brings extensive expertise in international trade compliance, anti-money laundering (AML) regulations, sanctions screening, and Know Your Customer (KYC) procedures. His work is critical to maintaining Tiger Petro's reputation as a trusted and compliant partner in global energy markets.

Prior to Tiger Petro, Mr. Clark held compliance leadership roles at major international trading firms, where he developed and implemented comprehensive compliance frameworks for complex multi-jurisdictional operations.

Pat Lemaire

Chief Business Development Officer

Pat Lemaire serves as Chief Business Development Officer at Tiger Petro, driving the company's strategic growth initiatives and market expansion efforts. With a distinguished career spanning multiple decades in the energy and commodities sector, Mr. Lemaire brings a wealth of experience in identifying and capitalizing on emerging market opportunities.

Mr. Lemaire has a proven track record of building strategic partnerships, developing new revenue streams, and leading cross-functional teams to achieve ambitious growth targets. His deep industry knowledge and extensive network of contacts across the global energy sector make him an invaluable asset to Tiger Petro's leadership team.

Under his leadership, Tiger Petro has successfully expanded its market presence across multiple continents and established key partnerships with major energy producers and distributors.

Arshad Khan

EVP — Chief Financial / Global Strategy Officer

Arshad Khan serves as Executive Vice President and Chief Financial/Global Strategy Officer at Tiger Petro. In this dual role, Mr. Khan oversees the company's financial operations while also driving its long-term strategic vision and global expansion plans.

With extensive experience in international finance, commodity markets, and strategic planning, Mr. Khan brings a sophisticated understanding of the financial dynamics that underpin global energy trading. He has successfully managed complex financial structures for large-scale energy transactions across multiple jurisdictions.

Mr. Khan's strategic insights have been instrumental in shaping Tiger Petro's growth trajectory, including the company's expansion into new markets in Asia, the Middle East, and Latin America.

James Hunter Johnson

Director of International Oilfield Fuel Supply

James Hunter Johnson serves as Director of International Oilfield Fuel Supply at Tiger Petro, specializing in the procurement and logistics of fuel products for oilfield operations worldwide. Mr. Johnson brings extensive experience in the upstream oil and gas sector, with particular expertise in remote and challenging operational environments.

His responsibilities include managing supply chains for oilfield fuel products, coordinating with drilling contractors and E&P companies, and ensuring reliable fuel supply to operations in some of the world's most demanding locations.

Mr. Johnson has developed strong relationships with major oilfield service companies and drilling contractors across North America, the Middle East, and Africa, making him a key contributor to Tiger Petro's oilfield services business.

Dr. Richmond Annan

Global Executive Director

Dr. Richmond Annan serves as Global Executive Director at Tiger Petro, providing strategic leadership and oversight for the company's international operations. With a distinguished academic and professional background, Dr. Annan brings a unique combination of scholarly expertise and practical business acumen to his role.

Dr. Annan has extensive experience in international business development, with a particular focus on emerging markets in Africa and Asia. His deep understanding of the geopolitical and economic factors that influence global energy markets has been invaluable in shaping Tiger Petro's international strategy.

Prior to joining Tiger Petro, Dr. Annan held senior positions in international organizations and multinational corporations, where he developed expertise in cross-cultural business negotiations and strategic partnership development.

Diane Glass

Executive Vice President

Diane Glass serves as Executive Vice President at Tiger Petro, bringing extensive experience in executive leadership, business operations, and strategic management to the company's senior leadership team.

Ms. Glass has a distinguished track record of driving organizational growth and operational excellence across multiple industries. Her expertise in building high-performing teams, developing strategic partnerships, and managing complex business operations has been instrumental in Tiger Petro's continued growth and success.

In her role as Executive Vice President, Ms. Glass oversees key operational functions and works closely with the CEO and Board to execute the company's strategic vision and ensure the highest standards of corporate governance and business performance.

Vinayak Seshadri

Sr. Director / Chief Principal Head of Global Marketing / President Tiger Petro - India

Vinayak Seshadri serves as Senior Director and Chief Principal Head of Global Marketing at Tiger Petro, responsible for developing and executing the company's global marketing strategy and brand positioning.

With extensive experience in international marketing and business development, particularly in the Asia-Pacific and MENA regions, Mr. Seshadri brings a deep understanding of diverse market dynamics and consumer behaviors across global energy markets.

Mr. Seshadri has successfully developed and implemented marketing campaigns that have significantly enhanced Tiger Petro's brand recognition and market presence across multiple continents. His expertise in digital marketing, trade show representation, and relationship-based marketing has been key to the company's growing international profile.

Masters In Business Administration, FICA, Certification in Cyber Security, ES/9000, AS/400, Black Belt 6 Sigma, ISO 45001, World Leadership Program, UN Sr. Member, Human Rights District Head – Karnataka, EV Association President - India

Robert Tabshouri

Director of Operations — Russia, China & MENA

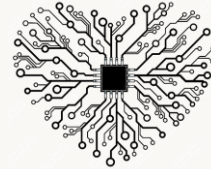

Robert Tabshouri has extensive experience in business development and commodity trading. With nearly two decades of involvement in commodity trading across the MENA region, Russia, the post-Soviet republics, and China, he holds a unique position with strong relationships with some of the largest suppliers and operators in these regions.

Robert has deep involvement in the oil, gas, and petroleum industries, maintaining strong relationships with some of the largest refineries and suppliers in Russia and the post-Soviet republics. As Director of Operations, he works closely with the President of Tiger Petro, as well as with Global and Logistics Directors, suppliers, and government entities to ensure a stable and high-quality supply chain.

Robert is both an engineer and an economist, having graduated from the Russian University of People's Friendship. He was born in Lebanon and has been living in Russia since 1995.

Shaun D. Roos

Director IT

With over 25 years of experience in IT and digital development, Shaun Roos brings a deep, versatile skill set to Tiger Petro. His expertise spans e-commerce, SEO, database architecture, graphic design, and full-stack web solutions.

Since 2008, Shaun has been the driving force behind Tiger Petro's online presence — designing, hosting, and maintaining the company website, managing content updates, and ensuring the brand is accurately represented to the world.

He also provides company-wide email setup and support, and assists with the preparation and management of vital business documents. From technical infrastructure to visual identity, Shaun plays a key role in both daily operations and long-term digital strategy.

B.A. Marketing — Utah State University (Minors: Japanese and Vietnamese)

Amir Ejaz

Legal Mandate

Amir is a self-motivated business development professional known for his effective sales techniques. He has demonstrated consistent success in driving revenue growth by building and maintaining strong relationships with both prospective and existing clients.

Accolades: Winner of 2012 Texas Sales Competition with \$25M in cycle revenue · Continuously managed relationships with over 80 commodity suppliers · Trained and mentored sales consultants with aggregated revenues of \$300M · Demonstrated success in call support, inside sales, outside sales, and management

Languages: Bilingual in Hindi and English

Luis Antonio Alvarez Calderon

Director — South and Central America

Mr. Alvarez, a graduate in Business Administration, possesses extensive expertise in international commodities trading, specializing in the downstream and midstream marketing of oil, gas, and refined petroleum derivatives. He currently serves as the Director for South and Central America at Tiger Petro Ltd. LLC.

In this executive capacity, Mr. Alvarez orchestrates and commands all regional counter party relationships, driving strategic origination with compliance-backed suppliers and tier-1 refineries. By enforcing rigorous risk mitigation and institutional standards, he ensures optimal asset allocation, structured supply chain solutions, and seamless cross-border fuel logistics across South America, Central America, North America, and the Caribbean.

He leads a multidisciplinary team of trade and logistics professionals dedicated to optimizing market placement, mitigating transaction risks, and guaranteeing a highly stable, resilient supply chain for global energy markets.
